China Cord Blood Corporation To Announce First Quarter Fiscal 2011 Financial Results

Earnings Call Scheduled for September 10, 2010

HONG KONG, China, September 3, 2010 - China Cord Blood Corporation (NYSE: CO; "the Company") today announced its plan to release financial results for the first quarter of fiscal year 2011 on Friday, September 10, 2010, before the market opens in the US.

The Company will hold a teleconference at 8:00 a.m. ET on Friday, September 10, 2010 to discuss its financial performance and give a brief overview of the Company's recent developments, followed by a question and answer session. Interested parties may access the audio webcast through the following link: <http://phx.corporate-ir.net/playerlink.zhtml?c=206671&s=wm&e=3297686>. A replay of the webcast will be accessible two hours after the presentation and available for three weeks at the same URL link above. Listeners may also access the call by dialing 1-718-354-1231 or 1-866-519-4004 for US callers or +852-2475-0994 for Hong Kong callers, access code: 94640489.

Supplemental financial information referenced in the conference call and the text of the first quarter press release can be found at <http://www.chinacordbloodcorp.com>, in the section titled Investor Center/Press Release, after 7:00 a.m. ET on the morning of the conference call.

Please dial in ten minutes prior to the conference to ensure proper connection and be prepared to provide your name and company to the operator.

About China Cord Blood Corporation

China Cord Blood Corporation is the first and the largest cord blood banking operator in China in terms of geographical coverage and is the only cord blood bank operator with multiple licenses. Under the current PRC government regulations, only one licensed cord blood bank operator is permitted to operate in each licensed region and only six licenses have been issued as of today. China Cord Blood Corporation provides cord blood collection, laboratory testing, hematopoietic stem cell processing, and stem cell storage services.
