

China Cord Blood Corporation Receives Notice of Transactions Regarding its 7% Senior Convertible Notes Due 2017 Held by Cordlife and Magnum and its Ordinary Shares Held by Cordlife

HONG KONG, China, May 8, 2015 — China Cord Blood Corporation (NYSE: CO) (“CCBC” or the “Company”), China’s leading provider of cord blood collection, laboratory testing, hematopoietic stem cell processing and stem cell storage services, today announced that the Company has been informed that Golden Meditech Holdings Limited (“Golden Meditech”), a Hong Kong listed company and a substantial shareholder of the Company, has entered into an agreement (the “CGL Agreement”) to purchase the Company’s outstanding 7% senior convertible note due 2017 with an aggregate principal amount of \$25 million (the “CGL Note”) held by Cordlife Group Limited (“Cordlife”) and the ordinary shares of the Company owned by Cordlife (the “CGL Sale Shares”). Golden Meditech has also entered into an agreement (the “Magnum Agreement”) to purchase the Company’s outstanding 7% senior convertible note due 2017 with an aggregate principal amount of \$25 million (the “Magnum Note”) held by Magnum Opus International Holdings Limited (“Magnum”).

The aggregate purchase price for the CGL Sale Shares, the CGL Note and the Magnum Note is currently estimated to be approximately \$169.8 million plus interest accrued on the notes from October 3, 2014 to the date when the purchase is completed. The purchase price is subject to (i) applicable distributions on the ordinary shares made by the Company, if any, and (ii) any possible changes to the currently offered per ordinary share purchase price at \$6.40 as reflected in Golden Meditech’s previously announced proposed “going-private” transaction, in each case in accordance with the terms of the CGL Agreement and the Magnum Agreement. The completion of the purchase of the CGL Note and the CGL Sale Shares is subject to certain closing conditions, including Golden Meditech shareholder approval and Cordlife shareholder approval. The completion of the purchase of the Magnum Note is also subject to closing conditions, including Golden Meditech shareholder approval.

About China Cord Blood Corporation

China Cord Blood Corporation is the first and largest umbilical cord blood banking operator in China in terms of geographical coverage and the only cord blood banking operator with multiple licenses. Under current PRC government regulations, only one licensed cord blood banking operator is permitted to operate in each licensed region and only seven licenses have been authorized as of today. China Cord Blood Corporation provides cord blood collection, laboratory testing, hematopoietic stem cell processing and stem cell storage services.
