(1) Based on 59,286,506 ordinary shares outstanding as of June 30, 2009, as disclosed in the Issuer's Form 20-F filed with the Securities and Exchange Commission on July 7, 2009.

**Item 1. Security and Issuer.**

The class of equity securities to which this Statement on Schedule 13D relates is the ordinary shares, \$0.0001 par value (the "Ordinary Shares"), issued by China Cord Blood Corporation, a Cayman Islands company (the "Issuer"). The principal executive offices of the Issuer are located at 48<sup>th</sup> Floor, Bank of China Tower, 1 Garden Road, Central, Hong Kong.

**Item 2. Identity and Background.**

(a) – (c) This statement on Schedule 13D is jointly filed by Golden Meditech Stem Cells (BVI) Company Limited, a British Virgin Islands company ("GM Stem Cells"), and Golden Meditech Company Limited, a Cayman Islands company ("Golden Meditech" and, collectively with GM Stem Cells, the "Reporting Persons").

Golden Meditech is a healthcare company in China. Golden Meditech currently holds 100.0% of the total equity interest in GM Stem Cells. The address of the principal business and principal office of the Reporting Persons is 48<sup>th</sup> Floor, Bank of China Tower, 1 Garden Road, Central, Hong Kong S.A.R.

The name, residence or business address, present principal occupation or employment of each of the executive officers and directors of each of the Reporting Persons, and the name, principal business and address of any corporation or other organization in which such employment is conducted, are set forth on Schedule I.

(d) – (e) During the past five years, none of the Reporting Persons nor, to the best knowledge of each of the Reporting Persons, any of its respective executive officers and directors named on Schedule I has (i) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

(f) The citizenship of each of the directors and executive officers of the Reporting Persons is set forth in Schedule I.

**Item 3. Source and Amount of Funds and Other Consideration.**

GM Stem Cells acquired the shares of the Issuer pursuant to the terms of an Agreement and Plan of Merger, Conversion and Share Exchange (the "Share Exchange Agreement"), dated as of November 3, 2008, under which approximately 93.94% of the shares of China Cord Blood Services Corporation, a Cayman Islands company ("CCBS"), of which GM Stem Cells was a shareholder, were exchanged for shares of the Issuer. The share exchange was consummated on June 30, 2009. GM Stem Cells surrendered all of its shares of CCBS in exchange for 29,068,087 Ordinary Shares.

Under the terms of the Share Exchange Agreement, Zheng Ting, a director of each of the Reporting Persons, became Chairperson and Chief Executive Officer of the Issuer.

**Item 4. Purpose of Transaction.**

As described in Item 3, the Reporting Persons obtained the Ordinary Shares for investment purposes. The Reporting Persons disclaim any membership in a group.

At the date of this Statement, the Reporting Persons, except as set forth in this Statement, do not have any plans or proposals which would result in:

- (a) The acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer, except that the Reporting Persons may, depending upon prevailing market prices or conditions, decide to increase or decrease their position in the Issuer through open market or privately negotiated transactions with third parties;
- (b) An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
- (c) A sale or transfer of a material amount of assets of the Issuer or of any of its subsidiaries;
- (d) Any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of the board of directors or management of the Issuer or to fill any existing vacancies on the board;
- (e) Any material change in the present capitalization or dividend policy of the Issuer;
- (f) Any other material change in the Issuer's business or corporate structure;
- (g) Changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;
- (h) Causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;
- (i) A class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or
- (j) Any action similar to any of those enumerated above.

**Item 5. Interest in Securities of the Issuer.**

As of July 9, 2009, each of the Reporting Persons beneficially owned 29,068,087 shares of the Issuer's Ordinary Shares representing approximately 49.0% of the Ordinary Shares issued and outstanding. Zheng Ting, a person named in Item 2, beneficially owns 1,071,994 Ordinary Shares, representing 1.8% of the issued and outstanding Ordinary Shares. The number of Ordinary Shares as to which each Reporting Person has or shares voting or dispositive authority is set forth in Items 7 and 9 of each of the cover pages to this Statement (pages 2 and 3 hereof) relating to each such Reporting Person (which are incorporated into this Item 5 by reference). The percentages were computed based on 59,286,506 Ordinary Shares outstanding as of June 30, 2009, as disclosed in the Issuer's Form 20-F, filed with the Securities and Exchange Commission on July 7, 2009.

Transactions by the Reporting Persons in the Issuer's Ordinary Shares effected in the past 60 days are described in Item 3 above.

Zheng Ting acquired the Ordinary Shares upon the consummation of the share exchange described in Item 3 above. Prior to the consummation of the share exchange, Ms. Zheng was a holder of options exercisable for shares of China Stem Cells Holdings Limited, a wholly-owned subsidiary of CCBS (the "CSC Options"), and she exercised her CSC Options on the condition that a new employee stock option scheme would be adopted by the Issuer upon the consummation of the share exchange. The obligations under the CSC Options were assumed by the Issuer, and Ms. Zheng received Ordinary Shares from the Issuer as a result.

**Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.**

Under the terms of the Share Exchange Agreement described in Item 3 above:

- GM Stem Cells has irrevocably agreed that, during the six months following the consummation of the share exchange (such period, the “Restriction Period”), except with the written consent of the Issuer, it shall not offer, sell, contract to sell, pledge or otherwise dispose of, or enter into any transaction which is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise), directly or indirectly, including the filing (or participation in the filing) of a registration statement with the SEC in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act and the rules and regulations of the SEC promulgated thereunder with respect to, any Ordinary Shares received on the date of the consummation of the share exchange.
- As part of the Issuer’s performance incentive to senior management, the Issuer has agreed to issue and deliver up to 9,000,000 warrants to senior management under certain circumstances, with each warrant representing the right to purchase one Ordinary Share at an exercise price equal to the lower of (i) US\$5.00, and (ii) the market price of an Ordinary Share on the date of the issuance of such warrant and having an expiration date on the fifth anniversary of the issuance date thereof (the “Earn-Out Warrants”). The number of Earn-Out Warrants to be awarded, if any, to individual senior management members shall be determined on a case-by-case basis by the compensation committee of the Issuer (or a majority of independent directors or another committee of the board performing similar functions) at the time the Earn-Out Warrants are issued. As Chairperson and Chief Executive Officer of the Issuer, Zheng Ting, a person named in Item 2, may be entitled to receive some of the Earn-Out Warrants.
- The Issuer has adopted an employee stock option scheme upon the consummation of the share exchange. As Chairperson and Chief Executive Officer of the Issuer, Zheng Ting, a person named in Item 2, may be entitled to receive under the scheme options and other securities exercisable, convertible or exchangeable for the Ordinary Shares (“Employee Options”).
- Each of GM Stem Cells and Zheng Ting (and their respective successors and permitted assigns) enjoys registration rights in respect of the Ordinary Shares received in the share exchange. Similarly, Ms. Zheng (and her successors and permitted assigns) will also enjoy similar registration rights in respect of the Ordinary Shares underlying any Earn-Out Warrants or Employee Options she may receive in the future.
